

# Mackenzie Stuart Memorial 5K

## Virtual Race

June-August, 2018

We had a memorial 5K for Z for five years. For the second year, we would invite anyone who wants to participate in a Virtual Race in Z's memory. Just run a 5K any time before August 30 and I will include you in the results. I will be running a 5K in training on her birthday – July 14. I will populate the results as you send them in.

Please just email me your name, age, city, state, and time. Please include a team name if you wish so me can tell something about you.

Or you can submit your time by filling in the online registration.

Cost: Free

Register online:
