

Mackenzie Taylor Stuart

Mackenzie was a gift. . .and she gave us so much.

~~~~~

She clowned and joked. . .and brought us laughter.

~~~~~

She revealed a playful wit. . .and reminded us that the quiet ones often have the most to say.

~~~~~

She read and studied and created. . . and amazed us with the potential of her mind.

~~~~~

She ran. . .and showed us a swift and fluid grace, driven by heart and determination.

~~~~~

She smiled. . .and warmed us with the light of a pretty girl blossoming into a lovely young woman.

~~~~~

And when Mackenzie left us. . .
she left our hearts filled with love and our lives with beautiful memories.
